

Bucks Patoss Presents...

Picturebooks For Developing Critical Thinking, Oral Language, Inference & Comprehension Skills

Dr Mary Roche

You are warmly invited to attend this multimedia presentation which will demonstrate how picturebooks can benefit learners of all abilities within every classroom, and how teachers can use these amazing resources at whole class, small group and individual level, for developing oral language, comprehension and critical literacy.

Mary Roche PhD is the author of *Developing Children's Critical Thinking through Picturebooks*, which received a UKLA Academic Book Award (2015). Her 'Critical Thinking and Book Talk' approach has been adopted by the National Council Curriculum Assessment (NCCA). Amongst her many other roles, Mary is currently a lecturer in post-primary education in MIC Thurles, Ireland.

Join us at this event to develop your skills in supporting critical thinking!
